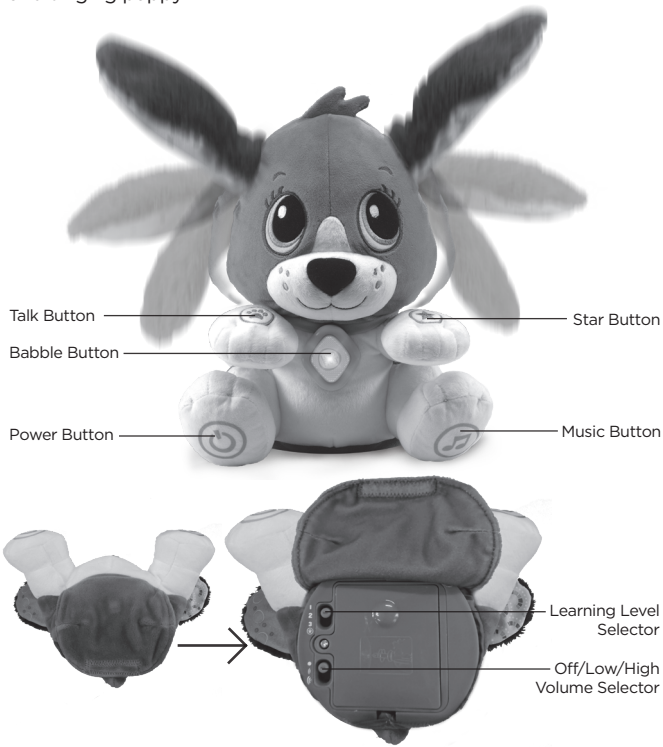
INTRODUCTION

Thank you for purchasing the **Speak & Learn Puppy™**!
Build language and listening skills with Bailey, the puppy who says what you say. Play activities and listen to songs with this interactive talking and singing puppy.



INCLUDED IN THIS PACKAGE

- **Speak & Learn Puppy™**
- Parent's guide

WARNING

All packing materials, such as tape, plastic sheets, packaging locks, removable tags, cable ties and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE

Please keep this parent's guide as it contains important information.

ATTENTION

Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches, étiquettes et vis d'emballage. Ils ne font pas partie du jouet.

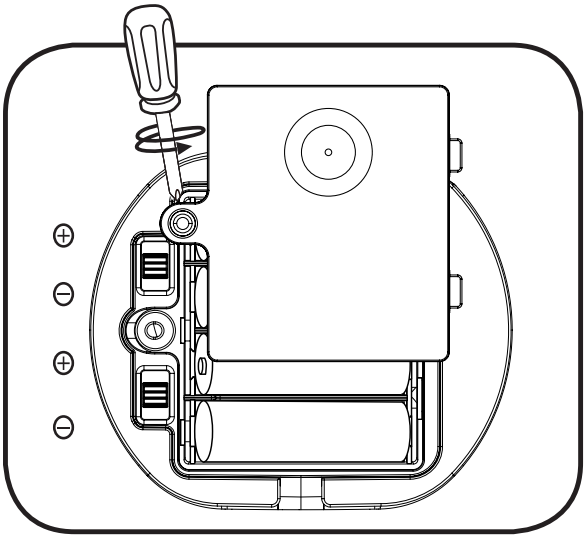
NOTE

Il est conseillé de conserver ce guide des parents car il comporte des informations importantes.

GETTING STARTED

BATTERY REMOVAL AND INSTALLATION

1. Make sure the unit is turned **Off.**
2. Find the battery cover located on the bottom of the unit and use a screwdriver to loosen the screw and open the battery cover.
3. Remove old batteries by pulling up on one end of each battery.
4. Install 4 new AA (AM-3/LR6) batteries into the battery compartment as illustrated.
5. Replace the battery cover and tighten the screw to secure.



BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable, or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity (+ and -).
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

MISE EN GARDE

- Utiliser des piles alcalines neuves pour des performances maximales.
- Seules des piles du type recommandé doivent être utilisées.
- Ne pas mélanger différents types de piles ou d'accumulateurs, ne pas mélanger des piles ou des accumulateurs neufs avec des usagés.
- Ne pas utiliser des piles ou des accumulateurs endommagés.
- Mettre en place les piles ou les accumulateurs en respectant les polarités + et –.
- Ne pas mettre les bornes d'une pile ou d'un accumulateur en court-circuit (en reliant directement le + et le –).
- Enlever les piles ou les accumulateurs usagés du jouet.
- Retirer les piles ou les accumulateurs en cas de non-utilisation prolongée.
- Ne les jeter ni au feu ni dans la nature.
- Ne pas tenter de recharger des piles non rechargeables.
- Enlever les accumulateurs du jouet pour les recharger.
- Les accumulateurs ne doivent être chargés que sous la surveillance d'un adulte.

Note: This product is in Try-Me mode in the packaging. After opening the package, slide the Control Switch to the Off position, then slide the Control Switch to the On position. If the unit powers down while playing, please install a new set of batteries.

PRODUCT FEATURES

1. Off/Low/High Volume Selector

Slide the **Off/Low/High Volume Selector** to Low [ ] or High [ ] to turn the toy on and select the volume.

2. Learning Level Selector

Slide the **Learning Level Selector** to level 1, 2 or 3 to select the learning level to use with the **Talk Button**. Bailey interacts with your child by repeating what is said, asking questions and using your child's responses to build a short story.

- Level 1: Bailey repeats simple words and sounds.
- Level 2: Bailey speaks full sentences and asks questions.
- Level 3: Bailey helps create short stories.

3. Power Button

Press to wake up the toy or put the toy in sleep mode.

4. Talk Button

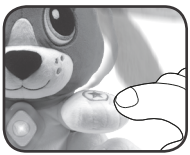
Press the **Talk Button** to answer questions and create fun stories. The **Learning Level Selector** changes the interactions.

5. Music Button

Press to hear three fun learning songs.

6. Star Button

Press the **Star Button** to learn letter sounds and numbers one through five.



7. Babble Button

Press to initiate the babble feature to talk back and forth with the toy. Explore all the ways Bailey talks and responds by repeatedly pushing the **Babble Button** and playing along.

8. Ears & Head

The toy's ears move up and down and the head moves from side to side when Bailey talks.

9. Automatic Shut-Off

To preserve battery life, the **Speak & Learn Puppy™** will automatically enter sleep mode after approximately 45 seconds without input. The unit can be turned on again by pressing any button.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on a hard surface and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Turn the unit **Off.**
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **On.** The unit should now be ready to use again.
5. If the unit still does not work, install a new set of batteries.

Environmental Phenomena

The unit may malfunction if subjected to radio-frequency interference. It should revert to normal operation when the interference stops. If not, it may become necessary to turn the power **Off** and back **On**, or remove and reinstall the batteries. In the unlikely event of an electrostatic discharge, the unit may malfunction and lose memory, requiring the user to reset the device by removing and reinstalling the batteries.

Impact de l'environnement

Une défaillance de fonctionnement de l'appareil peut survenir s'il est sujet à des interférences avec les fréquences radioélectriques. Le fonctionnement normal de l'appareil devrait reprendre avec l'arrêt des interférences. Si ce n'est pas le cas, il peut s'avérer nécessaire d'éteindre et rallumer l'appareil ou de retirer et réinstaller les piles. Dans l'éventualité peu probable d'une décharge électrostatique, un mauvais fonctionnement et une perte de mémoire de l'appareil peuvent se produire. L'utilisateur doit alors retirer et réinstaller les piles pour réinitialiser l'appareil.

IMPORTANT NOTE

If the problem persists, please call our **Consumer Services Department** at **1-800-701-5327** in the U.S. or email **support@leapfrog.com**. Creating and developing LeapFrog products is accompanied by a responsibility that we take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to contact us with any problems and/or suggestions you might have. A service representative will be happy to help you.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
