RE: *Citizens Awareness Network, Inc. v. United States; United States Nuclear Regulatory Commission*
No. 04-1145

Dear Mr. Donovan:

Enclosed for filing with the Court, please find the original and three copies of the notice of appearance form, docketing statement, corporate disclosure, and a certification of service upon settlement counsel and the respondents of copies those documents and this cover letter.

Although I am a member of the Bar of the Court, admitted May 5, 1994, I have never been assigned a Court of Appeals Bar number -- hence the absence of that number on my appearance form. I request the assistance of your office in obtaining the number and will be pleased to amend the appearance form once one has been assigned to me.

An additional matter to bring to the Court's attention is that I will be out of my office from February 3 through 12 attending to family and business matters in California. During that time I can be reached within 24 hours by calling my home number and leaving a message on our home answering machine: (802) 387-5794. I will call home each evening to get any messages left for me. I very much appreciate the cooperation of the Court and parties using this method of reaching me during that time.

Sincerely,

Jonathan M. Block

Fed. R. App. P. 12(b) provides that each attorney who files a notice of appeal must file with the clerk of the Court of Appeals a statement naming each party represented on appeal by that attorney. Local Rule 12 requires that statement in the form of an appearance. Any counsel who filed a notice of appeal must provide the requisite appearance to be attached to this form.

Attorneys who are associated with the case,

but not actively representing a party on
appeal, should NOT file an appearance form.
